## Transition Events

We are looking forward to the Transition Event for our September 2020 starters on 20th April. It will be a great opportunity for students and families to get to know each other and also to meet some of the staff. If you are able to attend, please email Jan Nichol, our Office Manager, at the email address below.

We also have some samples of our new uniform which we will be able to bring along to the event.

## Build Update

I have been lucky to have a tour of the inside of the building this week! It is so exciting to see the classrooms and shared areas taking shape and I cannot wait until the students and families are able to see it for themselves. It is amazing how much the building changes week by week!

## Teaching Staff

I am so pleased with the exceptional standard of applicants we received for our teaching positions. I have been interviewing this week along with James, Assistant Principal and Marion, our Chair of Governors and am hoping to update you shortly with news of our successful candidates.
